9:15 - 9:30	Opening																																																																																																																																																																																																																			
9:30 - 10:15	Alexander BALANDIN																																																																																																																																																																																																																			
Coffee Break																																																																																																																																																																																																																				
10:40 - 11:10	Claire Prada	Eduardo Gil-Santos																																																																																																																																																																																																																		
11:10 - 11:30	Andrea Bragas	Hamadou Dicko																																																																																																																																																																																																																		
11:30 - 11:50	Paulo Santos	Yann Chalopin																																																																																																																																																																																																																		
11:50 - 12:10	Chushuang Xiang	Laurent Belliard																																																																																																																																																																																																																		
Lunch break																																																																																																																																																																																																																				
14:00 - 14:45	Eva WEIG																																																																																																																																																																																																																			
14:50 - 15:20	Sunil Bhawe	Hanyu Zhu																																																																																																																																																																																																																		
15:20 - 15:40	Julien Claudon	Bernard Perrin																																																																																																																																																																																																																		
15:40 - 16:00	Andrey Akimov	Silvia Boccato																																																																																																																																																																																																																		
Coffee Break																																																																																																																																																																																																																				
16:30 - 17:00	Andrew Rushforth	Riccardo Rurali																																																																																																																																																																																																																		
17:00 - 17:20	Youssef El Helou	Aurélien Crut																																																																																																																																																																																																																		
17:20 - 17:40	Michal Kobecki																																																																																																																																																																																																																			
Conference Dinner																																																																																																																																																																																																																				
Free time																																																																																																																																																																																																																				
9:15 - 14:00																																																																																																																																																																																																																				
Klemmens Award - David CAHILL																																																																																																																																																																																																																				
14:50 - 15:20	Jouni Ahopelto	Zhiting Tian																																																																																																																																																																																																																		
15:20 - 15:40	Pauline Rovillain	Raja Sen																																																																																																																																																																																																																		
15:40 - 16:00	Riccardo Cucini	Paola Giura																																																																																																																																																																																																																		
Coffee Break																																																																																																																																																																																																																				
16:30 - 17:00	Sarah Benchabane	Thomas Dehoux																																																																																																																																																																																																																		
17:00 - 17:20	Kevin Silverman	Aymeric Ramiere																																																																																																																																																																																																																		
17:20 - 17:40	Mingyun Yuan	Mathieu Ducouso																																																																																																																																																																																																																		
17:40 - 18:00	Aswathi Kanjampurath Sivan	Simon Ayrinhac																																																																																																																																																																																																																		
Poster Session A																																																																																																																																																																																																																				
9:15 - 9:30	Chris BAUERLE																																																																																																																																																																																																																			
Coffee Break																																																																																																																																																																																																																				
10:40 - 11:10	Marta De Luca	Konstantinos Termentzidis																																																																																																																																																																																																																		
11:10 - 11:40	Martin Esmann	Giuseppe Romano																																																																																																																																																																																																																		
11:40 - 12:00	Habib Rostami	Guillaume Nataf																																																																																																																																																																																																																		
12:00 - 12:20	Changxiu Li	Xin Huang																																																																																																																																																																																																																		
Lunch break																																																																																																																																																																																																																				
14:15 - 14:45	Hubert Krenner	Jose Ordonez Miranda																																																																																																																																																																																																																		
14:45 - 15:05	Iaroslav Mogunov	Akash Patil																																																																																																																																																																																																																		
15:05 - 15:25	Monty Clark	Xiaokang Li																																																																																																																																																																																																																		
15:25 - 15:45	Filippo Bencivenga	Chaitanya Arya																																																																																																																																																																																																																		
15:45 - 16:05	Regis Decker	Sebin Varghese																																																																																																																																																																																																																		
Coffee Break																																																																																																																																																																																																																				
16:40 - 17:10	Ilya Akimov	Ryan Duncan																																																																																																																																																																																																																		
17:10 - 17:40	Ejji Saitoh	Chi Kuang Sun																																																																																																																																																																																																																		
17:40 - 18:00	Mads C. Weber	Danny Fainozzi																																																																																																																																																																																																																		
9:15 - 9:30	Alex FAINSTEIN																																																																																																																																																																																																																			
Coffee Break																																																																																																																																																																																																																				
10:40 - 11:10	Warwick Bowen	Vincent Juvé																																																																																																																																																																																																																		
11:10 - 11:30	Xin Zhou	Pascal Ruello																																																																																																																																																																																																																		
11:30 - 11:50	Kyrylo Gerashchenko	Samuel Raetz																																																																																																																																																																																																																		
11:50 - 12:20	Christophe Galland	Grazia Raciti																																																																																																																																																																																																																		
Lunch break																																																																																																																																																																																																																				
14:00 - 14:30	Bartłomiej Graczykowski	Valentina Giordano																																																																																																																																																																																																																		
14:30 - 14:50	Takuya Satoh	Ahmad Zenji																																																																																																																																																																																																																		
14:50 - 15:10	Butian Zhang	Jelena Sjakste																																																																																																																																																																																																																		
15:10 - 15:30	Jérémie Margueritat	Jay Amrit																																																																																																																																																																																																																		
15:30 - 15:50	Philipp Stein	Wilken Seemann																																																																																																																																																																																																																		
Coffee Break																																																																																																																																																																																																																				
16:10 - 16:40	Anthony Kent	Wu Li																																																																																																																																																																																																																		
16:40 - 17:00	Clivia Sotomayor-Torres	Yashpreet Kaur																																																																																																																																																																																																																		
17:00 - 17:20	Alexey Scherbakov	Sebastian Volz																																																																																																																																																																																																																		
17:20 - 17:40	Edson Cardozo de Oliveira																																																																																																																																																																																																																			
Poster Session B																																																																																																																																																																																																																				
9:15 - 10:00	Andrea ALU																																																																																																																																																																																																																			
10:00 - 10:45	Hiroshi YAMAGUCHI																																																																																																																																																																																																																			
Coffee Break																																																																																																																																																																																																																				
11:05 - 11:50	Alex MAZNEV																																																																																																																																																																																																																			
11:50 - 12:35	Lifa ZHANG																																																																																																																																																																																																																			
12:35 - 12:45	Farewell																																																																																																																																																																																																																			

Session	
MO1	SAW
MO2	New phonon
MO3	Optomechanics
MO4	Time resolved
MO5	Phonon-magnon
MO6	Thermal

Session	
TU1	Phonon-magnon
TU2	Thermal
TU3	SAW
TU4	New phonon

Session	
WE1	SAW
WE2	Thermal
WE3	New phonon
WE4	Thermal
WE5	Phonon - magnon
WE6	Time resolved

Session	
TH1	Optomechanics
TH2	Time resolved
TH3	Brillouin
TH4	Thermal
TH5	SAW
TH6	Thermal

Invited	Contributed	
		SAWs, phononics, nanoacoustics
		New phonon techniques, materials and phenomena
		Optomechanics, nanomechanics, NEMS-MEMS
		Thermal transport, nanothermal properties
		Phonon interactions, 2D materials, multifunctional materials
		Time resolved phononics and nonlinear phononics
		Brillouin and Raman spectroscopies
		Plenary
